Give the world
the once over

LISTEN, fellows, to some
straight talk. Many
a man when he gets
to be 40, misses some-
thing. He may have
lots of money, and a fine
family but—

He never "got out and
saw things". After he
gets settled down, it's too
late.

Every man wants to see
the world. No man likes
to stand still all his life.
The best time to TRAVEL
is when you're young and
lively—right NOW!

Right NOW your Uncle Sam
is calling, "Shove off!" He wants
men for his Navy. He's inviting
you! It's the biggest chance
you'll ever get to give the world
the once over!

The Navy goes all over the
world—sails the Seven Seas—
squints at the six continents—
that's its business. You stand
to see more odd sights, wonder-
ful scenery and strange people
than you ever dreamed of.

You'll work hard while you
work. You'll play hard while you
play. You'll earn and learn.
You'll get, in addition to "shore-
leave", a 30-day straight vaca-
tion—which is more than the
average bank president can
count on.

You can join for two years.
When you get through you'll be
physically and mentally "tuned
up" for the rest of your life.
You'll be ready through and
through for SUCCESS.

There's a Recruiting Station
right near you. If you don't
know where it is, your Post-
master will be glad to tell you.
